Birthday Parties

The NSW Academy of Gymnastics conducts birthday parties that are safe, fun and enjoyable. We use a range of equipment from circuits on floor, 15m tumble track, and not forgetting our foam pit which all the children are guaranteed to love. All activities and games are fully supervised by qualified and accredited staff. We offer a selection of menu's for you to choose from. You are also able to provide your own catering.

Parties run for approximately 1 hour and 45 minutes. Minimum age of children attending a party is 5 years and the minimum number of children attending is 12. There will be a surcharge of \$40.00 for parties held on a Sunday.
